A MESSAGE FROM FITZGERALD

Brother and Sisters,

First, I would like to wish each and every one of you and your families a very Happy Prosperous 2018. Work in the Southern California area continues to be relatively strong with good indications of this trend continuing. PLA's negotiated by the Building Trades, help to fuel jobs on a number of these projects throughout our area.

Your Business Representatives continue to be vigilant, working hard to protect our jurisdiction from those trades who wish to raid and perform Cement Mason work. We continue to be successful in signing contractors throughout the year and are working diligently along with our compliance officer, monitoring public works projects awarded non-union contractors. Through the Cement Masons Labor Management Cooperation Committee (LMCC), Locals 500 and 600 are having great success obtaining violations against non union contractors who choose to cheat the system.

Local 600 continues to be financially strong and in sound condition. As I mentioned, work is good, work hours are up, and the membership continues to grow with new apprentices and journeymen joining our ranks.

I am happy to announce that on November 28, 2017, the Trustees of the Cement Masons Pension Trust approved a 14% increase. If you are a retiree or beneficiary receiving a monthly pension benefit, as of January 1, 2018 your benefit will increase by 14%. For all service units earned on or after January 1, 2018, the benefit you earn will be increased by 14%, from \$10.85 for each 300-hours unit of service to \$12.37 for each unit. I would like to thank the Management Trustees, Pam Ackrich, Wes May and Dan Long, they truly partnered with Jack Alvarado, Phil Salerno, Jaime Briceno and myself to get this increase passed for our participants.

Remember to contact your local area office should you have any questions or to be placed on the out of work list.

Sincerely & fraternally yours,

Fitzgerald Jacobs
Business Manager & Financial Secretary

Retirement News

I would like to announce that on October 31, 2017, after 20 years, Scott Brain retired as Business Manager of Local 600. Prior to the merger of 1995, he was Business Manager of Local 741 in Ventura. During his tenure,

he grew Local 600 financially, increased our membership, reinstated a successful work compliance program, and navigated the Local through the bad recession that began in 2008. On behalf of the Officers, staff and membership, I would like to thank Scott for his many years of service.

Local 600 Business Representative

Hello Sisters & Brothers,

Please allow me to introduce myself, I'm Ricardo Gonzalez, business representative for Local 600. I would also like to wish the members of Local 600 and their families a blessed and prosperous 2018. My services as business representative began when I was appointed in 2016 and currently working out of the Bell Gardens office along with Business

Manager/Financial Secretary Fitzgerald Jacobs, and representative Thony Sarmiento. I cover the South Los Angeles and surrounding areas. 2018 as we know will be greater construction boom than 2017. Some high-profile projects that will be, or have broken ground, are the George Lucas Museum, luxury suites at the Coliseum, Clippers Arena, and the LAMP project at LAX to name a few. Many of our signatory contractors have been awarded these projects, which is a huge win for us.

As 2018 progresses, I look forward to continue serving our membership. If you have any questions or concerns, please don't hesitate to contact me at any time.

Best regards,
Ricardo Gonzalez
Local 600 Business Representative

For Our Members and Families Who Bake

Banana Bread

No need for a mixer for this recipe!

Clean up is easy too, if you want, you can mix everything in one mixing bowl.

The best bananas to use for banana bread are those that are over-ripe. The yellow peels should be at least half browned, and the bananas inside squishy and browning.

Prep time: 10 minutes Cook time: 55 minutes
Yield: Makes one loaf

Ingredients

- 2 to 3 very ripe bananas, peeled
- 1/3 cup melted butter
- 1-teaspoon baking soda
- Pinch of salt
- 3/4 cup sugar (1/2 cup if you would it less sweet, 1 cup if more sweet)
- 1 large egg, beaten
- 1-teaspoon vanilla extract
- 1-1/2 cups of all-purpose flour

Method

- 1 Preheat the oven to 350°F (175°C), and butter a 4x8-inch loaf pan.
- 2 In a mixing bowl, mash the ripe bananas with a fork until completely smooth. Stir the melted butter into the mashed bananas.
- 3 Mix in the baking soda and salt. Stir in the sugar, beaten egg, and vanilla extract. Mix in the flour.
- 4 Pour the batter into your prepared loaf pan. Bake for 50 minutes to 1 hour at 350°F (175°C), or until a tester inserted into the center comes out clean.
- 5 Remove from oven and let cool in the pan for a few minutes. Then remove the banana bread from the pan and cool completely before serving. Slice and serve. (A bread knife helps to make slices that aren't crumbly.)
